

RESOLUTION NO. 2022- 08R

**RESOLUTION AWARDED CONTRACT FOR EXPANDED 2022  
STREET PROJECT TO ROCK ROAD COMPANIES, INC.**

**WHEREAS**, on April 1, 2022, the Village of Winnebago held a bid opening for the Jessica Trail Resurfacing Project after duly advertising for bids, with the Village Engineer Fehr-Graham supervising the bid opening; and

**WHEREAS**, Rock Road Companies, Inc., was the low bidder at \$159,414.80, which was well under the Village Engineer's estimate of cost of \$209,691.90 for said project; and

**WHEREAS**, the Village has previously had work performed by Rock Road Companies, Inc., and has been satisfied with the quality of the work; and

**WHEREAS**, due to the low amount of the bid, at the direction of the Village the Village Engineer initiated discussion with Rock Road Companies, Inc., regarding addition of work to the contract based on the received unit pricing, since Road Road Companies, Inc., has agreed in writing to holding the bid pricing to incorporate the additional scope of a 2 inch mill and overlay on Stephanie Lane from Westfield Road to Jessica Trial for an additional estimated cost of \$55,298.84; and

**WHEREAS**, with the proposed additional construction cost of \$55,298.84, the total proposed construction cost would be \$214,713.64, which is close to the initial projected cost of the Jessica Trail Resurfacing Project; and

**WHEREAS**, the Village Board previously already approved at its February 14, 2022 General Board Meeting the engineering design costs in the amount of \$8,600.00, and the engineering construction oversight for the Village costs of \$11,500.00; and

**WHEREAS**, it is believed to be in the best interests of the citizenry of the Village of Winnebago to effectuate as many road maintenance projects that are deemed necessary and financially feasible in the interest of safety.

**NOW THEREFORE, BE IT RESOLVED** by the President and Board of Trustees of the Village of Winnebago, Illinois, as follows:

#### **SECTION I**

By passage and approval of this resolution, the Village of Winnebago hereby officially awards the expanded 2022 Street Project to Rock Road Companies, Inc., in a total amount not to exceed \$220,000.00 from **Line Item 01-42-520** to encompass the Jessica Trail Resurfacing Project, as well as 2 inch mill and overlay on Stephanie Lane from Westfield road to Jessica Trail according to the low bid amount of \$159,414.80 contained on the attached Exhibit "A" and the bid of an additional \$55,298.84 from Rock Road Companies, Inc., for the additional work on Jessica Trail as described in the Jessica Trail Proposed Scope Increase document attached hereto as Exhibit "B".

#### **SECTION II**

The Village President is hereby authorized to sign the necessary paperwork to effectuate the above.

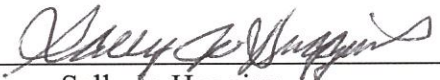

**SECTION II**

A full, true, and complete copy of this resolution shall be published within ten (10) days after passage in pamphlet form by and under the authority of the Village President.

**APPROVED:**
